

One-Day Intensive Training Course for the Sustainability Financial Disclosure Credential (SFDC) Exam

Eligible for ISSB Training Alumni (Batch 1-3 Only)

PROGRAM DETAILS

This training equips you with the knowledge and skills needed to pass the exam and successfully complete the assignment for the Sustainability Financial Disclosure Credential (SFDC).

The Sustainability Financial Disclosure Credential (SFDC) is a specialized certification aimed at equipping professionals with the knowledge and skills necessary to effectively implement and communicate sustainability disclosures in alignment with ISSB's global baseline standards.

The credential emphasizes understanding and applying the ISSB's sustainability disclosure standards, which are designed to provide investors with relevant information about a company's sustainability-related risks and opportunities.
