

A two-day intensive training

“
**ESG AUDIT
FOR INTERNAL
AUDITORS**
FOUNDATIONS
AND FRAMEWORKS
”

Unlock the power of ESG assurance! Equip yourself with the frameworks and skills to audit critical sustainability data and bolster corporate trust.

DATE

23-24 SEPTEMBER 2025

TIME

09.00 – 17.00 WIB

VENUE

PULLMAN GRAND CENTRAL BANDUNG

OBJECTIVE

This intensive training empowers internal auditors to effectively integrate ESG into their audit practices. Participants will gain practical skills to plan, execute, and report on ESG audits, including analysing sustainability reports, identifying disclosure gaps, and assessing compliance with relevant standards before publication. This ensures internal auditors proactively address ESG risks and contribute to embedding ESG into company strategy for sustainable value creation.

THREE REASONS WHY INTERNAL AUDITORS MUST ATTEND THIS TRAINING

- 01** This training is essential to equip internal auditors with the knowledge and skills to effectively fulfill regulatory obligation, ensuring their organization's compliance and the credibility of its sustainability reports prior to publication.
- 02** By attending this training, internal auditors will learn how to conduct internal reviews of ESG data in line with reporting standards, and provide assurance that the reported information is accurate, complete, and reliable.
- 03** This training will provide internal auditors with the necessary understanding of IFRS S2, enabling them to: assess the completeness and accuracy of GHG data, review the processes and controls around GHG data collection and reporting, and identify risks related to climate disclosures.

ABOUT ESG ACADEMY

Soon every company must have sustainability strategy, otherwise they will be extinct. This is a challenging time in transformation of thought. Ideas like net zero, circular economy, re-generation, sustainable growth and business eco-system are helping all of us to re-evaluate, re-imagine and re-invent the future of our communities. Sustainability is the foundation for strategy, long-term growth, opportunity identification, and supporting dynamism within one's social-political-economic eco-system. ESG Academy is dedicated to helping everyone meet this challenge of change. ESG is the heart of sustainability.
